## Technology Reports

(P.14)

(P.22)

**SEN Infrastructure for Configuring a Network Cloud** ..... 4

Enabler    API    IMS

**Disaster Voice Messaging Service** ..... 14

Disaster Countermeasure    PS Voice Messaging    Phone Number

**LTE-Advanced—Evolution of LTE—Radio Transmission Experiments** ..... 22

LTE-Advanced    Multi-antenna Technology    Experiment

**Location Information Functions for Smartphone Terminals** ... 37

Smartphone    Location    Safety and Security

**Optical Mobile Network** ..... 43

NMN    OPS    WDM-PON

## Collaboration Projects

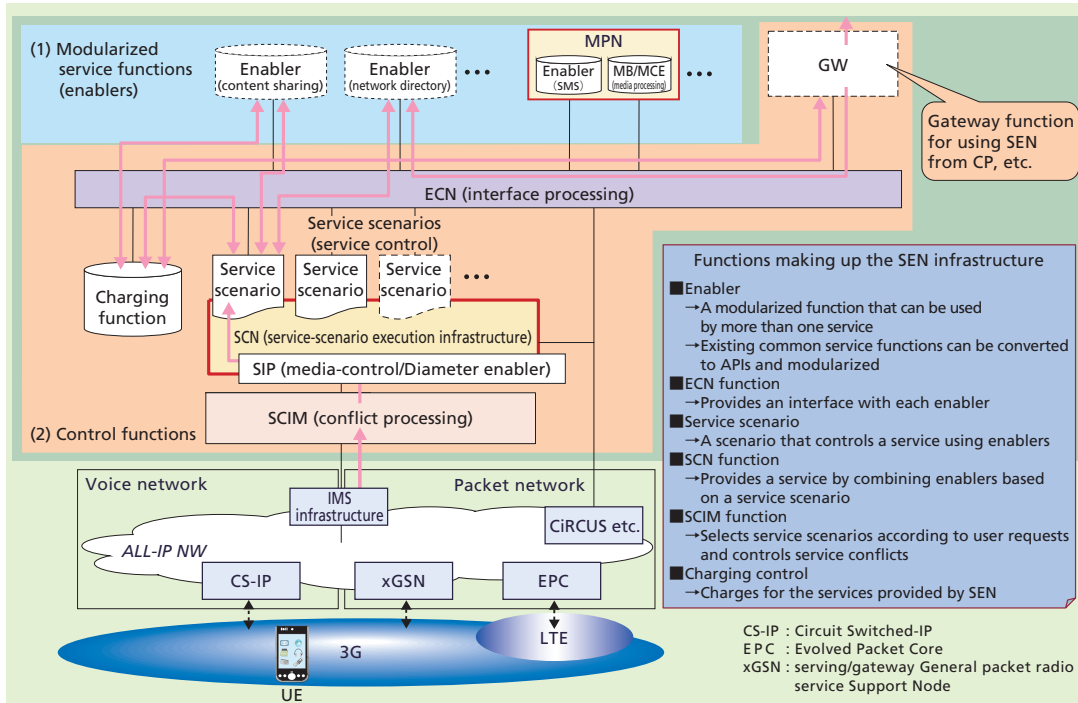

(P.54)

### Using Smartphone Usage Histories to Identify Influencers and Predict Application Adoption ..... 54

**Influencer** **Innovator** **Smartphone**

## Activities

### NTT DOCOMO Patent Filing Activities ..... 60

**Technology Reports** SEN Infrastructure for Configuring a Network Cloud (P.4)  
Overall logical configuration of the SEN infrastructure
