

Backup Important Data from Anywhere. Easily Transfer Data when You Replace Your Handset.

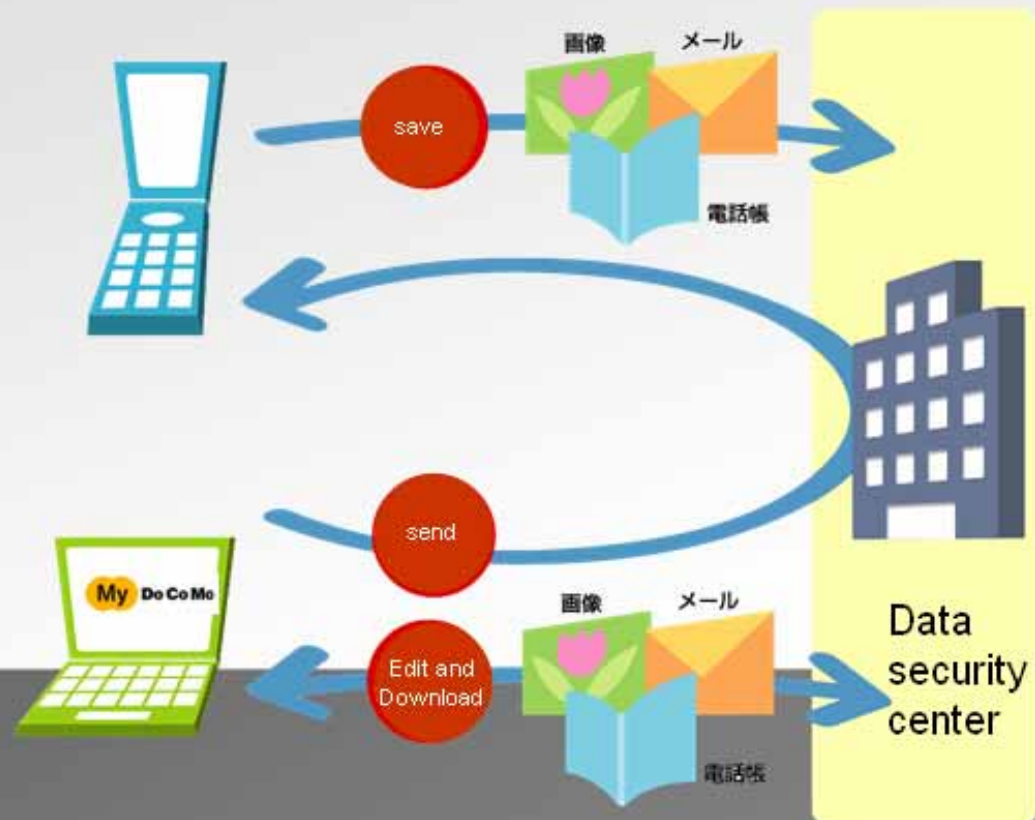

Data Security Service

105 Yen/
Month

Requires
Application

Stores phonebooks on the DoCoMo network as easily as entering a friend's number in your phonebook! Easily recover data if you lose or replace your handset.

Data that can be backed up

Phonebook, photos & mail
Up to 4 MB

Stored data can be easily edited with a PC connected to the My DoCoMo site, and the revised data can be immediately sent to the handset.

Phonebooks can be backed up automatically (daily, weekly or monthly). Supported models: 902iS (D/F/N/P/SH) & DOLCE SL
