Special Note Regarding Forward-Looking Statements

All forward-looking statements and projected figures concerning our future performance contained or referred to in this document are based on a series of assumptions, projections, estimates, judgments and beliefs of the management that have been made in light of the information currently available to it. Some of the projected numbers in this report were derived using certain assumptions that were indispensable for making such projections in addition to historical facts. These projections and estimates may be affected by our future business operations, the state of the economy in Japan and abroad, possible fluctuations in the securities markets or other changes in circumstances that could cause the actual results to differ materially from the forecasts contained or referred to herein.
