Note 1: Beginning October 1, customers who exceed 7 GB of data use in a given month will automatically have service switched to a max. 128 Kbps (uplink/downlink) for the remainder of that month. Users will have the option to continue receiving service at a max. 75 Mbps (downlink) beyond 7 GB, however, for an additional fee of 2,625 yen per 2 GB of data. Transmission speeds are theoretical maximums and services are provided on a best-effort basis. Speeds

may vary depending on network traffic or transmission environments.

Note 2: The free data allowance is applicable to packet data communications only.

Note 3: Two-year contract is automatically renewed. Cancelling or changing plan during contract period (excluding the contract renewal month) incurs a fee of 9,975 yen (including tax).

Note 4: Two-year contract is automatically renewed. Cancelling or changing plan during contract period excluding the renewing month incurs a fee of between 26,880 yen (first month, including tax) and 9,975 yen (24th month, including tax).

Rates listed above do not apply to international roaming packet-data charges.
